Consent for photographs:

I hereby agree that photographs of me may be taken during the event and stored for the purpose of public relations, and may be published.

I do not agree that photographs of me may be taken during the event and stored for the purpose of public relations, and may be published. I will ensure that I do not explicitly enter the area where photographs are being taken.

Consent for Data protection:

I hereby agree that my data provided are transmitted and processed by authorized persons as part of the event organization. The data will be stored on localized and access-restricted servers in Germany. The data will be deleted after 6 months. You have the right to withdraw this consent at any time without justification. Further information on data processing can be found at www.unimedizin-mainz.de/footer/datenschutz/datenschutz.html.
